### Discover the future

Come along to learn more about the exciting plans and projects taking place in the district, visit the Makers Market supporting entrepreneurs, or find out about job opportunities with new supermarkets planned for the area.

This is your chance to meet the people behind local businesses and see what's on offer. A wide variety of projects and businesses will be in attendance, showcasing what they do and their plans for the future, including Friends of Herne Bay Clock Tower, Canterbury universities, The Vintage Elegance Company and many more.
